Bob - The Governor's office noticed an error in the second paragraph of the analysis by the LRB. It states as follows:

"This bill extends eligibility for military family financial aid to members of the immediate family of a service member who is a Wisconsin resident and is a member of the U.S. armed forces, including any reserve unit, or of the Wisconsin national guard, regardless of whether that service member is on active duty in the U.S. armed forces. The bill also extends eligibility for military family financial aid to service members themselves based on eligibility requirements established by DMA."

It should read:

"This bill extends eligibility for military financial aid to service members themselves, who are Wisconsin residents, regardless of whether they have an immediate family and regardless of their duty status in the U.S. armed forces. The eligibility extends to part-time members of the national guard who are in a Title 32 or state active duty status, as well as reservists in all branches of the service who are residents of Wisconsin."

May we correct the analysis portion? Thank you.

Julio

2013 BILL

1843/1

- gen cat*
- 1 AN ACT *to amend* 20.465 (2) (r), 321.45 (1) (b) and 321.45 (2) of the statutes;
2 **relating to:** financial aid for service members and their immediate families
3 and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Military Affairs (DMA) is required to provide financial aid from the military family relief fund to certain military family members. The military family relief fund is funded by the voluntary donations of Wisconsin taxpayers on state income tax returns. Under current law, a person may be eligible to receive military family financial aid if he or she is a Wisconsin resident who is part of the immediate family of a service member who is a member of a reserve unit of the U.S. armed forces or of the Wisconsin national guard, is a Wisconsin resident, and is serving on active duty in the U.S. armed forces. Service members themselves are not eligible for military family financial aid.

This bill extends eligibility for military family financial aid to members of the immediate family of a service member who is a Wisconsin resident and is a member of the U.S. armed forces, including any reserve unit, or of the Wisconsin national guard, regardless of whether that service member is on active duty in the U.S. armed forces. The bill also extends eligibility for military family financial aid to service members themselves based on eligibility requirements established by DMA.

who is a Wisconsin resident and is a member of the U.S. armed forces, including any reserve unit, or of the Wisconsin national guard, regardless of whether that service member is on active duty in the U.S. armed forces and has any immediate family members who are eligible for the financial aid
